Space Test Site Due Here

U.S. Selects Huge Tract

TESTING SITE FOR MANNED LUNAR LANDING PROGRAM

America's space program moved into Hancock County this week with the announcement that a huge tract north of Bogalusa has been selected by the National Aeronautics and Space Administration as the Saturn and Nova booster testing area.

Senator John Stennis, chairman of the Senate armed forces committee and a member of its space committee, told the Echo last night that negotiations have been under way for four or five months on the selection with about 30 areas in Mississippi under consideration.

Proximity to the Michoud plant in New Orleans where the moon rocket is to be constructed played a part in the choice of the Hancock site because of the availability of deep water transportation.

The Mobile District of the Army Corps of Engineers sent two representatives into the county today to begin acquisition of the real estate and a staff will go to work Monday in the Courthouse checking on deeds and other details.

Outright title to approximately 13,500 acres of land here will be secured and perpetual restrictive easements obtained over some 101,300 acres in Hancock, 1,800 in Pearl River County and 25,000 acres in St. Tammany Parish.

The area where actual ownership will be obtained includes Gainesville and embraces 85 families. About 500 live in the fringe area over which easements will be secured. The northernmost boundary is 2 miles south of

Picayune, runs half a mile west of Kila to the east and one mile north of Pearlington to the south. Families are to be moved out of the core area on an early date while those in the fringe will have up to 2 years to move, that being the approximate time when testing will begin.

Restrictions on land use would rule out residences in the easement zone but will not interfere with farming, lumbering, grazing or mineral exploration, according to NASA.

Col. D. A. Raymond, district engineer, said a real estate project office will be established here early next year. Meanwhile today Melvin Davitt and O. B. Moore of the real estate division were here to confer with Mayor John A. Scalfie, Chamber of Commerce secretary Michael Green and Courthouse officials.

A booklet describing the various steps in acquisition of the fee title to the 13,500 acres

is being prepared by the engineers and will be distributed shortly. One on easements will be made later.

Senator Stennis said he did not consider the operation a dangerous one and benefits accruing from the installation would far outweigh the liabilities.

The nation's space program will continue for many years, he continued, emphasizing that this was not a "fly by night proposition" but one with tremendous military significance.

Some 500 to 1,000 engineers, technicians and support workers will be employed at the test site which has yet to be named. Senator Stennis said construction in terms of pouring concrete should begin within six months although the project will require two to three years to complete.

Condemnation proceedings have been filed in federal court to secure the site against Hancock and Pearl River Counties, Bay St. Louis, Poplarville, the

state of Mississippi, International Paper Co., Crosby Forest Products Co., H. Wagon Lumber Co., M. B. Whitney, D. P. Reynolds, C. H. Sladen, W. Fulton, J. O. Dalling and S. Whitefield.

Construction will include towers for testing the thrust power of the rockets, Saturn and Nova, the ultimate super powered weapon which is the step beyond Saturn, before they are shipped to Cape Canaveral, Fla.

First inkling of the Hancock selection came when Mayor John A. Scalfie was called for comment by the Memphis, Tenn., newspapers about mid-afternoon Wednesday. His surprise was complete. Senator Stennis later talked by telephone with Dan M. Russell, Jr., local attorney, and various other county leaders.

Stennis expressed his interest in securing for Mississippi a role in the giant space program for which \$2 billion was appropriated by Congress this year.

Supervisors Name New Trustee for Hospital

The county board of supervisors Monday accepted the resignation of one newly appointed trustee of Hancock General Hospital from Beat 4 and named his successor.

The letter of resignation was received from Delbert Necaise, named the seat formerly held by Justice of the Peace A. Frank Selph. He explained that circumstances prohibited him from serving. Charles A. Lavinghouse moved to accept the resignation and Supervisor James Necaise of Beat 4 nominated in his place Ray Seals, I. M. Frierson seconded and approval was unanimous. Game Warden Nolan Laderer renewed the plea for a public boat launching ramp in the Bay

area, asking if the board could establish one at the south end of the seaway. He explained that a number of fishermen had requested him to bring up the matter.

President R. G. Hubbard, Jr., noted failure of previous efforts to get the necessary easements which the ramp would require and property owners objections with high beachfront taxes. Jack Laderer, past president of the Rod and Gun Club, suggested the American Legion ramp project could be assisted, noting there was plenty of broken concrete at the north end of the seaway which could be moved to speed the Legion work.

The bulk of the session was taken up with another argument over fences on the Bayou Galare Road and whether they are on the roadway or private property. Frierson finally suggested the board inspect the site afterwards.

By a 3-2 vote, the board turned down a request from Mrs. Norton Haas of the local welfare office to admit an elderly Negro invalid woman to the county home. Frierson moved to admit her, seconded by Necaise. Lavinghouse, Hubbard and Charles A. Russ, Jr., voted nay, taking the view it would open the way for a flood of such applications and the pauper fund was too thin at this time. Mrs. Haas explained she had been unable to get anyone to look after the woman at home.

On Lavinghouse's motion, the sheriff was directed to see a fence removed from Alvin Laderer's property in Beat 3 so that Cueva Laderer could pass through the road, opening it 20 feet as it existed some years ago.

Jack Laderer requested a refund on back taxes on family property on which the federal government has granted a patent to the University of Mississippi for a recreation area. Rep. Clarence Laderer explained the matter probably would be taken up at the next session of the legislature.

ASC County Committee To Be Elected Friday

The county Agricultural Stabilization Committee will be elected by the chairman and vice chairman of the county committee when they meet at 10 a.m. Friday at the ASC office on Necaise Avenue, according to County Chairman Tommy R. Shaw.

Community committees were elected last Tuesday and the votes tabulated later in the week. Farmers elected from each community with the chairman, vice chairman and regular member listed in that order are: Ansely-Napoleon, Jay Warren, T. E. Miller, Rufus Dawsey; Bay St. Louis-Lakeshire, Ed Green, Sam Sully, Ed Laderer; Flatop-Aaron Academy, W. A. Gasper, Paul E. Bounds, Leon Davis; Dadeaux-Sellers-Stand-

dard-Necaise Crossing, Lavern Laderer, Nathan Necaise, Curvin Laderer; Lestown Catshola, David Baker, Oris Laderer, J. T. Lee, and Kiln-Rocky Hill, Cornelius Favre, Sidney Garriga and John C. Koenen.

The county and community committees are in charge of local administration of such national farm programs as agricultural conservation feed grain, sugar, conservation reserve and national wool programs, acreage allotments and marketing quotas, commodity loans and storage facility loans.

Shell To Start Offshore Drill Work Nov. 19

Initial drilling on the 70,000 acres of oil and gas leases taken by Shell Oil Co. in the Mississippi Sound is due to start Nov. 19 with a strong possibility it will be in the Herron Bay area of Hancock County, according to Dan M. Russell, Jr., member of the State Oil and Gas Board.

Shell Oil last week leased the acreage, most of which is off the county, exercising its option secured two years ago when it paid the state 10 cents an acre for exploration rights on 800,000 acres in the south.

Of the acreage selected, Shell paid \$5 per acre for 20,000 acres which are situated in 5,000-acre blocks. The remaining 50,000 acres were obtained for 10 cents per acre.

Grid Lights Eyed For North Central

Gridiron lighting for Hancock North Central School looked somewhat closer Saturday when the county board of education got assurance Coast Electric Power Assn. will try to work out the best possible rate for the field.

Manger H. H. Shattuck said he could not give a firm price on rates until he knew what fixtures would be installed, adding that the board had gotten the wrong impression from his previous appearance that it would cost \$100 a month for a 12-month year.

He discussed types of lighting and what would be best fitted to playing conditions. Beat 5 Trustee E. P. Orte agreed to check other playing fields, Coast Electric to give prices on similar installations, and Trustee Alton Keller is to discuss swapping poles from 16th Section land with Crosby Forest Products to save money there.

Shattuck said he would have to see North Central install lighting on its exsits at Long Beach, remarking the board had not gone "half way on anything else at the school."

The problem of student smoking occupied the early part of the session during which one pupil expelled for violation of the rules was reinstated with the understanding his parents were to sign a consent agreement for him to smoke and then only in the area so designated.

Superintendent of Education K. G. McCarty cited recent research showing a tie-up between smoking and lung cancer and was authorized by the board to take up the matter with each class at North Central, telling the pupils

116 Pints Of Blood Donated

One hundred and sixteen pints of blood were donated at the Hancock County Blood Bank's semi-annual drawing Wednesday afternoon at the Youth Center but the total fell way short of the amount officials had hoped to put in reserve.

John D. Rutherford, Jr., president, said the response means that the walk-in bank will have to be used more in the future. He said the bank had set a goal of 150 units of blood at this time.

He noted that more than 50 National Guardsmen who regularly gave blood are no longer here which contributed to the smaller number. Nevertheless, there was a steady stream of donors throughout the afternoon and evening with 21 persons rejected for various reasons.

Miss Mary Wright, chief technician from Oschner Foundation Hospital, and a staff of three conducted the drawing.

Eight Divorce Decrees Given

Eight divorces were granted in the first three days of Chancery Court which began Monday with Chancellor William G. Hewes presiding.

The following received decrees: John K. Blanchard from Mildred Blanchard, Florio Aysten Gilbert Cramer from John Herbert Cramer, Pauline Lucas Gaudet from William G. Gaudet, (Cont. on Page 4.)

Postoffice At Kiln Is Burglarized

Theft of \$97.32 from the Kiln postoffice sometime late Monday early Tuesday is under investigation by Sheriff Gerald V. Price's office.

Entry was gained by forcing open two doors and \$77.56 in postal cash, \$7.76 in stamps and \$2.10 belonging to Postmaster Ray Price was taken. No leads have yet been uncovered. Deputies Gerald Price, Jr., and Donald Sawyer and Beat 4 Constable Lewis Moran are assisting the postal inspector from Mobile, Ala., with the investigation.

In other cases handled by the sheriff's office, four juveniles, one local and three from New Orleans are to face Youth Referee Walter Rhodes Saturday morning in charges of tossing oranges from a moving automobile Sunday night. Several windows in Middle-town were broken and the boys were apprehended when Miss Ubell Favre reported their home number to the sheriff after an orange was thrown by the Froxy Inn.

Last Wednesday two minors wanted by Siddle, La., police were picked up by Deputies Gerald Price, Jr., and Roland LaFontaine and returned to Siddle. Their car was laden with camping equipment.

In hearing before Justice of the Peace Rhodes Monday an accident involving Mrs. Paul Lagasse and Mr. and Mrs. Jack Williams which occurred at 9:30 p.m. Friday was ruled unavoidable as there were no witnesses to the crash. Mrs. Lagasse, who sustained a facial laceration and bruises, collided with the rear of a house trailer driven by Williams, he was uninjured. Mrs. Williams suffered a neck injury.

Sheriff Price reports he anticipates no trouble with Halloween pranksters, however, all deputies will be alerted "just in case."

Pastor Takes Post in City

Dr. Franklin Atkinson, pastor of First Baptist Church here for the last two and a half years, has resigned to accept a similar post at Riverside Baptist Church in New Orleans, effective Nov. 1.

Dr. Atkinson announced his decision to the congregation Sunday. He will leave Tuesday with his wife and two children, Ruth Ann Jean, to reside in New Orleans and take up his new duties.

The pastor will conduct his final services here this Sunday when the congregation is to elect a pulpit committee to handle arrangements for securing a successor.

Coming to First Baptist in January, 1959, he served first at Santa Rosa Baptist Church, Picayune, and Woodmark Baptist in Biloxi. He has been active in denominational activities beyond his local church, being president of the pastor's conference, chairman of evangelism and a member of various associational committees.

BHS Homecoming Friday

For the second straight week, two games are on tap on the local gridiron scene this weekend, starting with Bay High's annual homecoming game Friday night.

The Tigers meet Perkinsdon in a Gulf Coast Conference skirmish and Coach Lance Lumpkin charges are the favorites.

Although the Bulldogs are the favorites, Las year's game with Bay High's heavily favored squad holding the Bulldogs three times from the one-point line with seconds to play

Volunteer Firemen

With efforts currently under way to establish the first of a group of volunteer fire departments in Bay St. Louis, the Echo feels this article from The People's Business series of the State Chamber of Commerce is of interest here:

Well over half of Mississippi's communities are served by volunteer fire departments. Upon the shoulders of men in such departments rests an emergency business—needed only when lives or property, or both, are in danger of fire.

Yet, in most instances the services of these volunteer firemen are available only because of their interest and loyalty to their hometowns. They realize someone must devote time, and often money, to see that homes and businesses are protected.

An official of the State Rating Bureau recently told those attending Merit workshop meetings over the state that "the first few minutes of a fire are the most important ones. . . if the method of receiving and sounding alarms is slow, then these precious first minutes are lost." Therefore, getting to a fire early can spell the difference between a scare and a disaster.

One of the big problems facing towns with volunteer fire departments is the lack of training for the volunteers. Fire schools are offered yearly in Jackson, but the person serving a smaller community on a volunteer basis often has neither the time or money to attend.

Until his death, C. H. Whitaker, through the State Department of Education, conducted fire classes at local fire stations over the state. The value of this work is still evident over the state, but as yet no system has been made for a continuation of the training program.

Another growing need by communities wanting to bring their fire departments up to par is for the enactment of fire prevention regulations and codes. It is up to the citizens of each community to support their volunteer fire departments, and not let them become "the stepchild of city government" as is so often the case.

A fulltime, paid fire department is best, of course. But communities entering the Merit Program are finding they can make many improvements in their volunteer systems.

Any comments?

Legion Junior Party Postponed

Halloween Party scheduled for Legion juniors has been postponed due to conflicting events. Mrs. Ervin Necaise and Mrs. John Rutherford announced at the junior meeting last Thursday. Another party is planned some time in November.

Sue Ann Buehler presided and the meeting opened with the pledge of allegiance and singing of the national anthem. Juniors were invited to march in the Veterans Day parade, wearing their uniforms for the occasion.

Those who marched in the National Guard parade were Sue Ann and Karen Buehler, Patsy Elliott, Jeanie Rutherford, Linda

New SS Benefits Provided

Thousands of dollars in social security benefits may be lost to a number of retired workers or their survivors if they do not apply for their payments before Oct. 31, Jerome H. Drane, district manager, Social Security Administration, said today.

With the 1961 amendments to the social security law coming into effect last year from the public eye, many people affected by the 1960 amendments have apparently not yet learned of their eligibility for payments.

Three groups made newly eligible for benefits beginning in October, 1960, were:

1. Those made eligible for benefits under the 1960 provision which reduced the amount of work needed to qualify for payments (now even further reduced under this year's amendments).

2. Survivors of workers who died between March 31, 1938, and Jan. 1, 1940. (These benefits had been payable only to survivors of workers who died in 1940 or later.)

3. Aged dependent widowers of women workers who died before September, 1950, when this type of benefit was not payable.

Workers who have been totally disabled for a year and a half or more, and their dependents, may lose some back payments if they do not apply for benefits before the end of November.

Under the law, social security payments may be retroactive for up to 12 months, Drane explained.

Many aged workers have not applied for benefits because they feel they are now earning above the maximum to be eligible for payments, Drane added. They may be wrong, since new changes in the law have been made and may be eligible for payments for some months of 1961, if not for the entire year.

Even if they are not eligible for payments now, by applying, they can receive their benefits as soon as they do become eligible, he concluded.

Ludich, Mildred Baum, Judy Carver, Jody Curet, Karen Prosser, Sharon Monti, Sheila Ann Favre, Marylou Gagnave, Nikki Romanoff and Mrs. John Rutherford.

ST. JOSEPH GOLD JAYS BEAT HAWKETTES

Mary Jo Krieger Paces Gold Jays To Beat Hawkettes

Star forward Mary Jo Krieger scored 34 points Tuesday night to lead St. Joseph's Gold Jays to a 67-32 win over the North Central Hawkettes in the feature game of a basketball doubleheader at SJA gym. The B squad dropped a 30-27 squeaker to North Central in the opener.

The Gold Jays took a 40-20 halftime lead with a tremendous offensive attack. In addition to Mary Jo's 34 points, Judy Favre added 14 and Cassie Rhodes 9 and guard Margo Jacoby spearheaded a defense which held the Hawkettes to 12 points the entire second half.

Mary Artigues led the Junior Varsity scoring 15 in a losing cause.

KC AUXILIARY INSTALLS - New officers of the Knights of Columbus auxiliary installed last Wednesday night are, from left, front row, Mrs. George Heitzmann, recording secretary; Mrs. Leroy Luce, president; Mrs. E. J. Marango, first vice president; back row, Mrs. Ivan Bradford, treasurer; Mrs. Albert Grass, corresponding secretary; and Mrs. Lena Chinchic, board member. Mrs. Elzie Sellier, returning president, conducted the ceremonies.

Harbor Happenings Bay-Waveland Garden Club Is Rated Fourth

BY RAE COPE WOT-5897

When Mrs. Alfred Daspit entertained Wednesday at a silver tea for the benefit of the Home Demonstration Council, heirloom lace covered the tea table and tall yellow tapers in silver candlesticks cast a soft glow as Mrs. K. Rheams and Mrs. J. Rousseau poured tea and coffee from silver services placed at either end of the table. Others attending were Mesdames F. O. McCoy, J. C. Goodloe, F. Simmons, W. J. Howard, Verna Smith, A. Landry, K. Kintzel, E. Rinehart, Yancy Shane Rinehart, J. Saleeby, O. Moran, C. Burgdorf, M. Hughes and R. Cope. Mrs. Irene Maher assisted her daughter in receiving.

Mr. and Mrs. Vincent Bourgeois of New Orleans and Clermont were hosts to Mrs. William Grenmillon and Miss Lee Capbern, of N. O. last week when, with their friend, Mrs. Honorie Hughes, they set out each day to find places serving gourmet food along the Coast, refusing to worry about calories. They visited shops and bought Christmas presents and visited Carr's Antique Shop in Clermont. They get around at a tender age these days -- When tiny, two-week old Yancy Shane Rinehart flew over from Houston last week he never even whimpered -- nor did he at three weeks when he attended the big tea, even though his picture was snapped several times.

Cake and Candles

Happy birthday, though a bit late, to Louise Becker's granddaughter, Louise Nan who was five on Oct. 9, and her grandson, Jack, eight on the 15th. Also to Mrs. Charles Burgdorf and Mrs. Kirk Rheams both of whom will celebrate on the 31st. If your birthday falls between Oct. 23 and Nov. 22 your zodiac sign is Scorpio which indicates a clever mind, not easily given to wrath; you are usually soft spoken and scorn to revenge injuries and are very dexterous.

On Coast Guard Convention

Mr. and Mrs. William Schaefer have returned from a ten-day vacation in Florida where they found fishing in Clearwater excellent and the National Coast Guard League Convention in Tampa a most enjoyable affair, the highlights being the cocktail party given by Adm. Henry S. Hirschfeld preceding the banquet and the Puerto Rico Night put on by that chapter which was entertaining and beautiful. Incidentally, they said, the Commander of the Coast Guard League is a woman -- Mrs. Romanda Theil.

Ladies of Waveland Methodist Church hosted an old-fashioned Pound Party at Fellowship Hall in Clermont Saturday night with members and friends of Lakeshore and Clermont joining in paying tribute to their new pastor, Rev. Doyle Larkin, Mrs. Larkin and the children. The response was most generous and hospitable and everyone had an enjoyable evening. Mr. and Mrs. Paul Bordelon have as guest this week Mrs. Brigitte Pretus of New Orleans who is recuperating from a broken ankle.

8 and 40 Salon Has Fete at Long Beach

Members of the 8 and 40 Salon 218 were guests of the Hancock County 8 and 40 Salon last Thursday at the Long Beach home of Mrs. Esther Oschmann. The groups enjoyed a buffet supper with festive Halloween decorations.

Attending from Bay St. Louis were Mesdames Gilbert Gayout, Gordon Romanoff, Rene Bernad, Dan Ziegler, Henry Capdepone and Albert Biehl.

Mrs. Hedrick Gives Program for WMS

Mrs. Cecil Hedrick directed the program from Royal Service, That Thy Way May Be Known in Malaya and Indonesia, when the Woman's Missionary Society of First Baptist Church of Waveland met last Thursday night at the church.

Co-hostesses were Mesdames Jack Norris and Jack Smith. Others attending were Mesdames John D. Green, Jack Penalver, Elsie Painten, Russell Gass, Leon Harville, Morgan Bates, Ruth Ketchum, Robert Epperson and one new member, Mrs. Emile Henley.

J.F. Parker Feted At House Warming

Mr. and Mrs. C. L. Parker entertained with a house warming for his brother, J. F. Parker, who recently moved into his new residence on Old Spanish Trail.

Plak roses and fern were used in the decorations. Punch was served by Mrs. Gerald Blevins while Misses Mildred Parker and Pat Jones served cake. About 60 guests attended, including friends from Mobile, New Orleans, Gulfport and Long Beach.

THIS BAY HIGH JUNIOR VARSITY SQUAD CLOSES OUT ITS SEASON TONIGHT AGAINST LONG BEACH.

Tigers Lead All Way Over Poplarville II

Behind the powerful running of fullback Bobby Van Calsem and the sharp passing of quarterback Rommie Peterson, the Bay High Tigers took a 13-0 lead and easily defeated the Poplarville Hornets of the DeSoto Conference 25-13 Thursday night here.

Bay High scored its first touchdown on the opening play of the second quarter and never trailed. A pass interception by lineman Teddie Thomas stopped a Poplarville threat on the Tiger 32 and Bay High went 68 yards in seven plays. Van Calsem, on the first play, hit the left side of the line and scampered 40 yards to the Hornet 28. Half-

back Donald Saucier on one short gain and Van Calsem on two one-yard advances set up a fourth down situation on the 23 from where Peterson kept the drive going with a 11-yard aerial to Saucier. Van Calsem went over center for 10 yards and a first down inside the one and after the teams had exchanged ends of the field, Van Calsem carried in for the score. Peterson's kick for the extra point was wide to the right.

Poplarville received the Bay High kickoff but failed to move a yard in three plays and punted to Tigers 35 and Saucier returned the ball to the Poplarville 48. Peterson, on the first play, hit

end Richard Schaefer on a 48 yard pass for six more points. On a fake kick, the Bay High senior quarterback threw again to Schaefer for the PAT.

Bay High wasted no time in moving again into scoring position when on Poplarville's first play following the kick Saucier intercepted a Hornet aerial and brought it back from his own 40 to the Poplarville 33. Van Calsem burst through the line for six yards and after a five-yard penalty for illegal procedure against the Tigers, Peterson again came up with the big play, a 17-yard pass to end Tim Fagen. On fourth down, however, the drive was stalled. Peterson pitched out to Saucier and Saucier passed back to Peterson but the play was stopped one yard shy of a first down on the five.

Poplarville took over with a drive which lasted five minutes and resulted in a touchdown on the final play of the half. Fullback Tommy Kirk gained four yards, halfback B. Pinkerton picked up seven, Kirk gained nine more, Pinkerton swept end for eight yards and a first down at the 33, went around end again

for seven yards, and quarterback Davis of the Hornets gained a first down on the 43 with a three-yard sneak. An 11-yard run by Kirk, a 13 yard run up the middle by Davis, and a 14 yard end sweep by Kirk placed the ball on the Tiger 24 with first down. Davis lost six attempting to pass, but Pinkerton went around his own right end for 12, and tried his own left end for 11 yards and a first down at the seven. With the time running out, Davis tried for the sidelines, going out of bounds to stop the clock with less than five seconds to play on the 5. Pinkerton went around left end to cap the 95-yard rushing drive. Davis's extra point try was blocked.

Bay High fought back at the start of the second half, driving from the Tiger 30 to the Hornet 5 before being stopped. Saucier scored from that point, but the play was called back because of a rule infraction against Bay High. On third down from the 10 Saucier fumbled and the Hornets recovered.

The Tigers got the ball back quickly when the Hornet Walter, (Cont. on Page 10.)

REGATTA WINNERS - Skippers and crew members who collected trophies in the first annual Bay-Waveland and Pass Christian Yacht Clubs regatta last week are, from left, front row, Dick Mestayer, Mike Reeves, Warren Adam, Jean Adam, Mike Pickish; back row, Basil Kennedy, Mrs. G. S. Kennedy, John Morrow and Alan Walker.

B-WYC Wins Wood Trophy in Regatta

Bay-Waveland Yacht Club sailors chalked up 42 1/4 points in the first annual fall regatta last weekend staged in conjunction with Pass Christian Yacht Club to win the Commodore Burris D. Wood perpetual trophy being offered for the first time this year in the fish class races. Pass sailors got 35 3/4 points in the four events.

Commodore Gordon Bishop of the Pass club presented the marker which the winning club will retain to Harry Chapman, B-W race chairman, at the conclusion of the regatta Sunday. The perpetual trophy is in memory of the late former PCYC commodore.

K. W. Pepperdene, commodore of the host club, termed the initial event most successful. He has been working to launch the project for two years. The regatta officially closes the 1961 season and the club boats are to be taken out of the water for the winter this weekend.

Mike Reeves won the junior skipper race Saturday with Dick and Judy Reeves as his crew, helping B-W pick up 14 1/4 points in PC's 6. Mike Pickish was first in the Class A race, aided by his crew of Jack Blanche and Bernard Saucier. B-W picked up nine points in this event and PC got 6 1/4.

Lock of wind hampered the skipperette race Sunday morning, requiring almost two hours to complete it. Jean Adam of Pass Christian with her crew of Alan Walker and John Morrow crossed the finish line first to win. Violet Collins who was stranded out in the still for an hour and a half behind the leaders managed to finish just 10 minutes after the winner. The Pass picked up 12 1/4 points and B-W 9.

Warren Adam of Pass Christian helped his club's cause in the expert race that afternoon as PCYC got 11 1/4 to B-W's 10 points. Crewing with Adam for his win were Leada Adam and Commodore Bishop.

In the sunfish class which did not enter general competition, Chuck Breath won with 22 3/4 points. Basil Kennedy took the GP-14 junior race with Dick Mestayer as crew. Mrs. G. S. Kennedy with son Basil crewing copped the senior GP-14 event. There were no Pass entries in either.

Only Pass sailors race in the windmill division, Mike Pickish winning with 9 3/4 points for the series. His crew were Shannon Pickish, jr., and Tommy Pickish.

Ocean Springs Trounces Jones

Ocean Springs' Trojans racked up a 21-0 shellacking of the Valena C. Jones Tigers at Stanslaus Stadium last Saturday afternoon, holding in check the local gridder's passing attack with a hard charging line.

The Tigers moved the ball fairly well until they approached the goal line where the Trojan line refused to give. William Vontour and Jeston Smith did some good running and Capt. Joe Hall played an outstanding defensive game.

Jones has an open date this weekend which will permit intensive workouts for the homecoming game against North Gulfport at 2 p.m. Nov. 4 at Stanslaus Stadium. The homecoming parade will leave the school at noon and is due at the stadium about 1:30 p.m. A big half-time show is planned.

Harry Hears... Black Knight Steals Show

Harry Hears... recall seeing an individual performance in a high school football game to match the one turned in by St. Stanislaus' 160-pound black Waldo Caceres in the Rockchaw-Harrison Central game.

Caceres gained over half the Rock's yardage in leading Stanislaus to its first win of the year. From scrimmage, "The Black Knight" piled up 183 yards in only 11 carries for an average of 16.6 yards a try! Most of his biggest gains came in key situations.

In addition to his scrimmage yardage, Caceres found time to make a pass, intercept a pass and go 50 yards with it to set up a 20-yard run, and a 25-yard run. He also played his customary excellent game on defense, and added the first of six extra points.

Whatever and Whenever Caceres has been playing top-notch ball for the Rockchaws all season long and last year too, but Friday night was probably the best he ever played. It seemed almost that he could gain whatever he wanted. On the first play from scrimmage he carried for a first down and didn't carry again until SSC had the Central 21. From the 21, he went through the center to score standing up. The next time he carried, he got a 25-yard run from deep in their own territory with a 25-yard run.

In the second quarter, Caceres made one 12-yard gain and made two carries of six, nine, and two yards, finishing the first half with 90 yards to his credit.

He did even better in the second half. The Rock reserves had the ball well from their own 26 to the 47 of Central, but on the next play, Head Coach Reuben Ruiz sent in Caceres who kept the ball with a 20-yard run. With three and one-half minutes to go in the fourth period, SSC took the ball on downs from Central 38 and on the first play, Caceres scored. On his final play of the night, he got 30 yards to set up another touchdown.

Probably the most impressive part of his night's performance was Caceres' extra points. He made six in six tries and each one was made on exactly the same play. Although the Red Rebels knew he was coming, there was still no stopping him. Add to the six his three touchdowns, and Caceres finished the night with 24 points, a pretty good accomplishment.

Rebuttal on Long Beach

We've heard lots of comment on a statement in this column last week that it seems a lot of people just don't agree whatsoever with what we said about Long Beach beating Bay High nine out of ten times.

Perhaps, we'd better elaborate. We did not say Bay High doesn't have a good football team. The Long Beach, however, is fortunate in having a lot of seniors, and we don't believe any team on the Bearcat schedule could possibly except Ocean Springs could do as good or better as Long Beach is averaging 30 points a game, and Ocean Springs, Notre Dame, Poplarville, Perkinston, and Bay High, five of our opponents, all have above-average teams.

In closing this "discussion," we'd like to say, in answer to the questions: "Long Beach does not pay us one penny to write about them." And if any of you big Tiger line men want to write walking down a street at night, please count to ten before you take any action.

On the National Front

Mississippi, Alabama and Louisiana State all remained undefeated in conference play last Saturday with big wins in Southeastern Conference activity.

The Crimson Tide was the most impressive, rolling over good Tennessee eleven 34-3 before a regional ABC television audience. Tennessee, sparked by quarterback Pat Trammell's pin-point passing and good faking, was overwhelmingly superior to the Vols.

Roman Gabriel of North Carolina State is considered the best bet to win the quarterback position on the final All-America teams, but at this point in the season our choice would be Trammell. He was voted AP Back of the Week last week for his showing against North Carolina State, the very team that Gabriel plays for. Trammell doesn't throw long too often but he is tremendously accurate with short and medium-sized heaves.

Ole Miss played its first string nine minutes in Jackson against Tulane and that is enough indication of the score, which was 41-0. It seems strange how it always is teams like Tulane, who aren't strong, are usually the ones that get the most injuries, while a club like Ole Miss gets so few. If the Rebs were to lose a first stringer outside of fullback Billy Ray Adams, we doubt it would hurt their attack one bit.

LSU had to fight the great passing arm of Kentucky's Jerry Woolum (more proof of the SEC's stronghold on quarterbacks) to beat Kentucky. The Tigers also had to overcome penalties, which cost one point and the Tigers 60 yards in four plays. The Tigers showed the better-balanced team though and won, 24-14.

SEC Round Up

This week the SEC menu consists of a variety of conference and non-loop games. Alabama is a solid pick over Houston, Auburn is our choice to beat Clemson, LSU should beat Florida, Georgia Tech over the nod over Tulane, and Ole Miss is the pick over Vanderbilt in the day's biggest games. Rounding out the schedule, we like Kentucky over Georgia, Memphis State over Mississippi State and Tennessee over Chattanooga.

Last week we were right five out of six times and for the season we now own 32 correct hunches, nine wrong guesses, and one tie. Last week was the third straight week we missed a clean sweep by one game and maybe this week will prove to be the week we get our hunches correct.

Side Bars

Pearl River Junior College is now considered the leading choice to represent the eastern half of the United States in the Junior Rose Bowl at Pasadena, California after the completion of the regular season. If the team continues to win and is invited, we sure wish they would be allowed to go. Four Bay St. Louis boys are on the team and it would be a great experience for them.

The Echo's fishing expert, Jimmy Giametta, informs us that Jack Kramer and Camille Schaefer came home with a large supply of speckled trout, drum, and croakers Saturday. As if that wasn't enough, Mr. Schaefer went back the next day and got about 1 1/2 pound, cruder ones of extremely large size.

Caceres Paces SSC to Victory

St. Stanislaus Rockchaws broke open a close game with three third period touchdowns and romped to a 42-6 victory over Harrison Central Friday night at Stanislaus Stadium for their first win of the 1961 football campaign.

The Rocks, entering the game with four straight losses, moved into Harrison Central territory the first time they had the ball before being pushed back on two losing ground plays. Fullback Dusty Rhodes kicked to the Central 26 from where the Rebels started one of their longest drives of the night. A 23-yard run by halfback Troy James and a 15-yard penalty highlighted the drive which ended on the Stanislaus 26.

Taking over on downs SSC drove 74 yards in six plays to score the game's first touchdown. Halfback Golden Jones started the drive with a four-yard run, fullback Donald Smith hit the left side of the line for eight yards, Phil Fassulo carried for five, and Jones then raced 33 yards around his own right and before being driven out of bounds on the Red Rebel 24. Two plays later, halfback Waldo Caceres, the game's top individual player, went 21 yards to score. Caceres then got his first of the six Rockchaw extra points.

On the final play of the quarter, Caceres raced 25 yards from the Rock 22 to the 47 and carried the ball into Harrison Central territory at the start of the second period before a 15-yard penalty stopped the drive. Rhodes on fourth down, put the Rebels deep in their own grounds with a 43-yard punt dead at the 10 yard line. A quick kick by quarterback Jerry Wilson brought the Rebs out of trouble, however, and the Rockchaws' Rhodes again had to punt, putting this one dead at the 11.

Stanislaus got the ball back with about four minutes to go in the first half and threatened again. Caceres returned a Harrison Central punt 20 yards to the Red Rebel 23, then galloped nine yards on the first play from scrimmage to the 14-yard marker. Two short gainers took the ball to the 10 from where Smith broke loose around left end to the two yard line. A clipping penalty against the Rocks nullified the play, however. Fassulo picked up 10 yards on the next play but fumbled and the Rebels recovered.

Harrison Central lost no time getting themselves in a hole at the start of the second half. A clipping penalty on the kickoff set the ball back on the Rebel five and Harrison Central fumbled on the first play, Howard Robicheau recovering for Stanislaus on the six. Fassulo carried to the four from where Smith hit the middle of the line to score. Caceres drove over center for the PAT making the score 14-0.

The Rebels couldn't move the kick by Stanislaus' Richard Chance and finally punted to the Rock 47. Playing their second team, Stanislaus wasted no time in putting seven more points on the scoreboard. Halfback Nickle Kingston gained two yards, Barry Merritt picked up five, Barry Boasberg carried for six to the 40, and Kingston on a quick-opener raced the remaining distance in one play. Caceres made it 21-0 with a burst over center.

Harrison Central took the kick and on their third play, quarterback Wilson's pass was picked off by Caceres at the midfield stripe, and the fleet halfback outraced everybody to paydirt. Caceres made the extra point and the Rockchaws had picked up 21 points in less than nine minutes.

Harrison Central came right back to get their first and only score of the night when quarterback Wilson unleashed a sharp passing attack, tossing 22 yards to left end L. E. Parker, nine and then 13 yards to end C. Gilbert, 5 yards to Parker, and when a penalty against Stanislaus put the ball further into Rock territory, Wilson threw a gain to Parker for 13 yards and a score. The extra point try failed.

At the start of the final quarter St. Stanislaus moved the ball from deep in their own territory to the Rebel 34 on good runs by Boasberg, Merritt, Kingston and Caceres. They lost the ball on a fumble but took it back on downs (Cont. on Page 10.)

List Cage Dates for N. Central

After the opening date, the schedule includes Nov. 28 at St. John; Dec. 5 at Long Beach; Dec. 8, Poplarville at home; Dec. 12, Bay High at home; Dec. 19 at Harrison Central; Dec. 21, Pearl River Central at home; Jan. 2 at Piquette, Jan. 5, Long Beach at home; Jan. 9, Harrison Central at home; Jan. 12, at Bay High; Jan. 16, at Poplarville; Jan. 20, at Jackson Central; Jan. 23 at Pass High; Jan. 30, St. John at home, and Feb. 4, Pass High at home.

Logtown Romps To Cage Wins

Logtown basketball teams opened their 1961 seasons on a successful note Tuesday afternoon, whipping Pearl River Central of Carriere in both ends of a doubleheader.

Elaine Keller led the seventh and eighth grade girls to a 24-20 victory in the opener, scoring more than half of her team's points. Judy Keller added four points to the attack as did Janet Lee. Bonnie Davis rounded out Logtown's scoring with two points.

Sharon Monroe was the high for Carriere with 12 points and a good job by Logtown guards Joan Davis, Lydia Davis and Myra Long kept the score down.

The Logtown boys never were in trouble in the second game, romping to a 56-18 win. Fifteen boys played for Logtown and all scored almost an equal amount of points.

Horse Show Slated At Lazy Y Nov. 5

LOCK STOCK & BARREL

Coast Electric Power Association belongs to the people it serves... lock, stock and barrel.

Electric Power Associations, which are Mississippi Corporations, were formed by Mississippi people to obtain electric power for themselves throughout the areas in which they live.

By working and investing together, these Mississippians have obtained money from "REA", a special government bank formed for this purpose. They are repaying that loan with interest.

Each time an Electric Power Association member pays his electric bill, he is paying for:

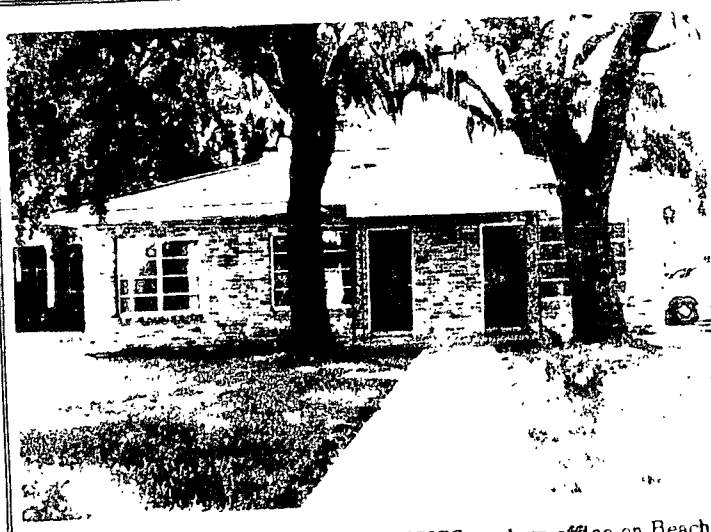

1. Interest and principal on the association's debt
2. Wholesale cost of electricity
3. Building and maintaining poles and lines
4. Taxes
5. General association overhead

Each time a member pays his bill he is helping to pay for the business which he and his neighbors bought when they joined or helped to form the association.

An Electric Power Association does not belong to and is not controlled by "REA". Its policies and practices are determined by a board of directors, selected from among the members or people it serves.

More New Highs Reached at Bowling Center

Dave Poldexter became the first local bowler to hit 550 in a league at Bay Bowling Tuesday night. Poldexter rolled single games of 248, 191, and 212 for a 651 total. Following his league series, he celebrated his performance by rolling eight strikes in a row in non-league competition.

For Shumski and J. P. Compretta became the second and third persons, respectively, to join the "200" row, in a junior league while bowling in the Sunday afternoon Strikeouts League. Shumski hit the 200 mark two weeks ago. Bowling on lanes three and four, the St. Stanislaus student scored a 210 and also had games of 190 and 149 for a 549 series.

Compretta scored a 202 last Stanislaus Wins...

(Cont. from Page 9.)
at the 38. Caceres on the first play went over the middle for 38 and a score. He made the PAT on a line smash and the score stood at that point 35-6.

With time running out, the Rocks made their final score. Smith returned a Rebel punt from his own 48 to the Red Rebel 35. Caceres went around end for 30 yards, and Boatsberg scored from seven yards out. Caceres made his final extra point of the night and the game ended two minutes later.

Unofficially, St. Stanislaus gained 36 yards rushing compared to 18 for Harrison Central. Passing, Wilson completed 10 of 19 for 38 yards, and Gore for the Rocks 1-3 for 6 yards. Stanislaus gained 13 first down and the Rebels seven.

Mike Mashburn was the leading defensive performer for the Rocks.

Bay High...

(Cont. from Page 8.)
Smith quick-kicked on second down from his own four to the 43. With Van Calsen supplying most of the yardage Bay High drove from there to score. The 190-pound fullback went for gains of eight and four yards and along with a five yard jaunt by Saucier, the Tigers got a first down on the 26. Saucier went around right end for six yards to the 20, and Van Calsen carried four straight times from there to paydirt. The PAT failed with a fumble in the Tiger backfield.

Bay High got another opportunity to score when Thomas, by far the game's leading defensive performer, blocked a Poplarville punt at the Hornet 20 and recovered it himself on the 16. Peterson kept on a quarter back option for 11 yards to the five, but the Hornets dug in and on fourth down stopped Saucier one inch from the goal line.

After two safety threats the Hornets quick-kicked again on third down and Smith got off a 48 yard boot. Peterson fired a 28 yard heave to Saucier for a first down on the 20, hit Saucier again for a first down inside the 10, and then passed the final 10 yards to halfback Corky Schneider. Schneider took the pass at the line of scrimmage and behind a wall of blockers forming a screen went in to score. Peterson's kick from placement was low.

The final score came with 31 seconds to go when Kirk intercepted a pass on his own 30 and ran it back all the way for a touchdown. Although a five yard penalty made the PAT attempt from the seven, Pinkerton raced in to make it 25-13.

Unofficial statistics showed Bay High gaining 160 yards rushing to Poplarville's 47. Peterson completed 6-12 passing for 124 yards and Saucier was 1-1 for 15 yards. Poplarville gained nine yards through the air on one completion. Bay High had 15 first downs and the Hornets nine.

Squirrel To Blame For Explosive Dim

Brothers Ted and Jesse Brinsell, who live in adjoining homes on Sixth Street, Wayland, were temporarily at a loss to explain an explosive sound which rattled windows and shook doors in their immediate vicinity about 1:30 p. m. Wednesday. Ted reported the blast sounded like an enormous charge of dynamite.

Investigation revealed one small squirrel was responsible for the big noise, having become entangled in a hot wire near an electric transformer between the two houses. Result was a temporary lack of electricity and one electrocuted squirrel.
